

Seeking inspired leaders to join Make-A-Wish® Canada's Chapter Advisory Board for Quebec

Make-A-Wish® creates life-changing wishes for children with critical illnesses. We are on a quest to bring every eligible child's wish to life, because a wish is an integral part of a child's treatment journey. Research shows children who have wishes granted can build the physical and emotional strength they need to fight a critical illness. As an independently operating affiliate of Make-A-Wish International, Make-A-Wish Canada is part of the network of the world's leading children's wish-granting organization. We serve children in every community in Canada, and in more than 50 countries worldwide.

Make-A-Wish Canada is searching for four (4) new directors for our Chapter Advisory Board in Quebec who can help ensure the Foundation's fundraising and wish granting objectives are met to serve the communities of Quebec.

- Provide advice to the CEO on hiring and evaluation of the Regional Vice President or designate

Commitment: We need you to commit time to be an impactful Member of our Chapter Advisory Board. Our Board will meet a minimum of four times per year, and we ask for you to be actively engaged year-round in the community as a volunteer leader of our organization.
